China Resources Beer selected as Hang Seng Index Constituent Stock

[Hong Kong, 19 November 2021] **China Resources Beer (Holdings) Company Limited** (the “Company”, or together with its subsidiaries, the “Group”; stock code under HKEX: 00291) is pleased to announce that the Company has been selected as one of the constituent stocks in the Hang Seng Index (“HSI”) from 6 December 2021. The total number of constituents will increase from 60 to 64.

HSI is one of the most historic stock market indexes in Hong Kong, long regarded as the most representative and recognised flagship index and an important indicator of performance of the stock market. The HSI constituents are reviewed quarterly by Hang Seng Indexes Company Limited to cover the largest and most liquid stocks listed on the Main Board of the Stock Exchange of Hong Kong. The re-introduction of the Company as a blue-chip stock demonstrates confidence in the Group’s business and future development plans by capital market.

The Group will continue adhering to its strategic management philosophy of “Quality Development for Success in Premium Segment” and strive to create long-term value for investors and lead business progress together with consumers, shareholders, employees and business partners to create a better life together.
